MAULE'S SEEDS.

There is no question but that Mulle's Gardine beeds are unsurpassed. Their present popularity in almost every county in the United States shows it, for I now have earbonness at more than 22,500 post-offlieve. When once sown, others are not wanted at any price. More than one-quester of a million copies of my new Catalogue for 1888, have been mailed already. Every one pronounces the most original and roat, and the control of the price for premium vegetables, etc., to the amount of \$2,000, and also beautiful illustrations of over 500 vegetables and flowers (15 being in color). These are only two of many striking features. You should not think of Purchasing any Seeds this Spring before sending for it. It is mailed free to all endosing stamp for return postage.
